

jobin.co.za

I am looking for a job in either project management or maintenance foreman without any certificate qualifications I do have 20 years of life experience in the construction industry.

I have over 20 years' experience in the construction industry where I have developed myself from the ground up to the position that I hold proudly today. I am a foreman however I can pitch in various roles if need be if there is a shortage of staff or tight deadlines where it is required for job to be fast paced

I am capable of taking on big and small tasks, work independently on my own, and have been proven a great team players as well as an even better team leader

I am in charge of all staff who report directly to me and assist other teams to attending to their projects and staff

I pride myself on the quality of work that I deliver and consider myself a perfectionist with a great eye to attention to detail. I am also in charge of the quality control of the sites that I run. My work ethics are based on my integrity and values. I believe to give equal levels of quantity and quality. I lei haze telephonically and via correspondence with all clients and am in charge of submitting all invoices, with that I do have good basic computer skills such as Microsoft Word, Excel and PowerPoint
