What job i'm looking for? My positive points

I'am looking for General positions because I am still at level of Grade 12 certificate that I completed at 2017.

I deserve this job to feed my family and support siblings. I do need a job to satisfy my employer by completing given tasks as possible. I believe am hard worker with enough strength as well as to work for long hours and to lack ability of knocking out with unfinished assignment. I haven't work since I've finished Grade 12. I am ready to work immediately, Goodluck.
