Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Looking for apprenticeship of diesel or fitter, or hydraulics.

I'm looking for an operator jobs.

Currently I'm working on a company that manufacturers brakepads, i work as maintenance assistant, on hydraulics presses and pneumatics machines.

I'm a hardworking guy, i don't mind any challenges, it makes me happy because i learn more and deliver more.

I don't mind working overtimes and night shifts, it makes myself learn more experience from other people.

Working as a group and individually it's what i like, more minds brings production to a company.
