Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am in position of code10 drivers licence currently with no PDP looking for driving job. I am asking for any position that is security related as I'm currently a Sergeant in the South African Police Service. I started in SAPS in 2009 and I'm working in the gang area of Bishop Lavis since 2009. It has not been an easy 11 years where shootings are happening almost on a daily basis but it has given me a vast experience when it comes to fighting crime. The amount of knowledge I have crime wise would contribute positively to any company security wise. I am also looking for a position of safety officer and general worker.
