What job i'm looking for? My positive points

I want to be a scriptwriter or a reviewer. I am a creative person. Singing and writing poetry as well as creating songs is my passion. I believe that my strong points are evident when I write. I should be hired because I am hardworking and I am willing to learn more to improve my skills. I have written newsletters for the International Hotel School. While I was an intern at the Pretoria Campus I have learnt that I would love to be a reviewer for food, health or movies because I love to observe whatever that is around me so that my knowledge can widen.
