What job i'm looking for? My positive points

I think I'm the best candidate for the job because I am a hard worker, persistent, and I want to advance my career and gain more experience as a person and as an employee.

My positive points are:

1. I can be too committed to work and don't have a time for social media.
2. I work well under a pressure cause I prepare for it before it even come.
3. I have the ability to work well under pressure and bring more good ideas on how we should save the company.
