What job i'm looking for? My positive points

Any job I mention above all. I only have matric with less working experience I was working at the Tavern as a General works, cleaner , stock offloading and stock loading. I learn how to work underpressure and around different people. I'm team player with good communication skills and problem solving. I'm not working now. I need a job so that i can be able to provide for my family and be able to save money for my unborn baby's education. Thank you
