What job i'm looking for? My positive points

I am well organised and very good in problem solving. I am considered as person who is always calm in times of crisis, a team player and I put my heart onto everything that I do be it work or sport. I also enjoy working with people as much work gets done when people are working together even though I am also able to work independently as I do not need much reassurance. I am also able to work under pressure and keep calm.
