What job i'm looking for? My positive points

I prefer a job in the Equine Industry, as I have experience in it. I am currently studying to expand my skills and knowledge as a horse trainer, stable yard manager, riding instructor and working rider. I have ridden for many years as well. I do have a small job, but I need another part time job 3 days a week to cover my living costs.

I am willing to do other jobs out of my original field for a reasonable salary.

I am extremely hardworking and dedicated. I put my everything into my job and always strive for excellence. I'm always willing to learn new things and expand my skills and knowledge.
