Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have been a Social worker for 45 years - the past 25 years in Private Practice where I did most of my own administration. I facilitated Women's Conferences all over South Africa for 8 years and did all the admin by myself. Since 2014, I facilitate training for the staff of Old Age Homes. I do the research, development, marketing, and facilitation of the training and for the rest, I do all the admin of this process. Due to the Covid Pandemic, I lost my opportunities to enter Old Age Homes and by implication also my total income. That is why I decided to start using my skills to do admin and data typing in order to survive.
