

Joe Knott

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am person who is self-directed and I can work with minimal supervision, Over the years I have trained myself to add value to both my colleagues, superiors and. I poses a knowledge of procurement principles and best practices for stock / stores, which I have acquired over my 30 years' experience working in the construction, engineering trade working as a Manager, Senior Buyer, Store man / salesman.

People will see, I conduct myself in an appropriate manner as a representative of my company, working effectively in any diverse work environment.

On a daily basis in my procurement duties, certain standards are met and that any materials purchased are always delivered in a timely manner and then appropriately distributed to that concerned party, and then paid for in a correct manner.

I will source and purchase a wide variety of capital (equipment), technical and non-technical items and materials (including capital construction) within the guidelines of the company policies and government regulations.
