Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am mainly looking for Learnership / Apprenticeship under Electrical and Mechanical Engineering but I will accept any related jobs and general jobs. I have completed my N6 certificate in Electrical Engineering at Sedibeng TVET College. I also have Drawing Engineering and Fitting and Machining N2 which I have done at the mentioned institution.

I am confident that I am the candidate your organization is in pursuit of as I developed excellent interpersonal communication, problem solving and technical skills through my studies and consider myself highly organized, ready and dedicated to be employed.

I am a hard working person, take pride in my work, I am also a great team player who is always willing to learn new skills and I do believe that I am ready to accept more responsibilities and that put me as an ideal candidate for your organization. If you would like to have more about my qualifications, please contact me by email : mhlambiha633@gmail.com or phone : 0729357128 / 0682573218.

Thank you for taking time to review my CV.
