Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am very self motivated and passionate about finishing what I start. I love travelling and seeing places. Driving is one of my best skills as we had a small business at home that demanded most of my time and energy on the road. Am very punctual and persistent candidate. I realize that this position requires a very loyal person, that is me. I have experience in truck driving and assistant driver. This taught me that a driver needs to be vigilant at all times. Take precautions and make inspections prior a trip to ensure you save time and arrive safely.
