

Moirah Mashadi Ndlovu Ndlovu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Im looking for welding job im able to weld using Co2, stick n fluxcore iv got more than 10 years on engineering field and i got more experience on buliding and reparing of dragline buckets since that was the only full time job i once had including welding on power station for shutdown, since i stated to weld i fell in love with it and willing to learn more about weldin and engineering so i decided to register my own company which is n engineering company
