Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a very passionate person who's more about personal growth and development in my career path. I'm more interested working in a work environment where I can provide my service in exchange of earning something that'll benefit me positively so. I'm more of a person who enjoys working with others and do my all to be on the A list by producing what is required from me and make efforts to complete the tasks assigned in time. As a newly graduate I believe I have the capacity of being in a working environment as I've acquired the knowledge and skills and only requesting to enter the workplace market to acquire the experience that'll in future help me enhance my career path.
