Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm currently studying bachelor of accounting at the university of limpopo and doing my third year. I would like the opportunity to get any job that you offer. I am ambitious and driven. I thrive on challenge and constantly set goals for myself, so I have something to strive toward. I'm not comfortable with settling, and I'm always looking for an opportunity to do better and achieve greatness. I am highly organized. I always take notes, and I use a series of tools to help myself stay on top of deadlines. I like to keep a clean workspace and create a logical filing method so I'm always able to find what I need. I find this increases efficiency and helps the rest of the team stay on track, too. I'm a people-person. I love meeting new people and learning about their lives and their backgrounds.
