Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any General job. But I've got matric certificate, cashier certificate and computer literacy certificate but since the jobs are so hard to find I am willing to settle for any position you might have for me.

I have worked at Edgars /Edcon as merchandiser for two years nd moved to alpha security then my last job was at oldmutual where I was employed as financial adviser. I believe i can add value into your company.

Thank you
