Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am Refilwe Nokeri, aged 22, a mechanical engineering student about to graduate for diploma at the Tshwane University of Technology. I hereby request a graduate program which may help me find exposure in the industry. I am interested in your company because it can help me gain more knowledge about my career, read about the company and found interest in being part of it as it will give me an opportunity to learn more. I have balanced a difficult course load and a number of extracurricular activities that have allowed me to enhance my theoretical skills relevant to my field and would like to take the next steps through practical work at your company.
