## What job i'm looking for? My positive points

I'm looking for a job about electricity.

I want to develop the skill of changing the electricity we are using to a form of wireless, I'm currently what to work in this company because I want to make it to known as worldwide. I got a skill of fixing electricity when it damages but I want to learn more about electricity have my good qualifications.

Hire me in this work u won't regret ,I'm a hardworking I don't give up easily without a solution.

Thanks for give me a chance , what I have said you will appreciate it.
