What job i'm looking for? My positive points

I'm an looking forward to learning more about the Human resource career field,hence I obtained a short course certificate in it. I got a short course certificate in HR but I'm also a lover of books so with the salary I'd be earning, I'm planning on doing my Diploma in HR management.So for me,any kind of job is ok,as long as it's HR job description related. For instance being a payroll clerk,a PA or an office assistant. I'm a humble being,hard worker,and a team player.
