What job i'm looking for? My positive points

I'm looking for a job as a cleaner. I'm a very neat and tidy person I have no experience in it but I can do it because of my hard working and fast learning skills. I'm also good in packing and keeping the place clean at all times not lazy to work different spots a day, I'm good also in working around crowded places and I can work well with others too. I'm a good candidate for the job as I will obey all my work duties as told.
