Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have qualifications in Human resource practices. And I have been waiting for Clientele Life as a sales consultant and worked at Vericred Collections and a debt collector so I do have good experiences in call centre. But the job I am looking for is to do wants my passion, what I have studied.

I am a hard worker, self driven and self motivated individual. I am willing to learn new things and can adapt to different environments and challenges very easy. Through my experiences I have learned that team work is what is very important to build a team or a company so I am a team player. And so have my own individual goal, to grow and succeed as person.
