Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am good at motivating workers and making them work well. I am responsible for everything around the site, which is in administration or reception.

I am also kind and I take people's responsibility first, then myself, because I care about people. Even with my work, even at school, I was so good, nice, and perfect. I like peace. Now I am in security, I am looking for a job if you can just help me. I don't have parents; I am the one who supports my four young sisters and brother. May God bless you every time. Uplift yourself; I am a son of God. I am good, not tall, dark, but not that dark. I like to smile every time, laugh, even if it hurts me, because I am too kind to everyone.
