Im really looking for work at the age I am,im a very hard worker.I worked at CNA Greenacres for three years and the last time I've worked was since 2014 at CNA Greenacres.I haven't worked for six years now and desperately looking for work especially at transnet.I don't have CNA Greenacree new telephone number for reference to phone them and I don't have an email address as well,you must please excuse me on that but im desperately looking for an apprenticeship for electrical engineering.I've got my N2 in electrical engineering and I've got my drivers licence code10 with pdp but I just need to renew my pdpl.really hoping for an apprenticeship in electrical engineering with my N2 with a salary of R6000 to R10000 per month from transnet because i believe transnet will make my dream come true in reality.that's all
