What job i'm looking for? My positive points

General work, anything I can do within the company I don't mind as long as I'm gonna learn and work hard to fulfill my dreams and to be able to provide for my family. I'm a very hardworking person and I can work independently and also with team. I have a lot of respect for people I'm shy but once I feel free I will be fine and try very hard by not putting pressure to my self so that I will show productivity at the end of the day
