Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for an opportunity in logistics, supply chain, stores and inventory management since i have vast experience in those fields I am also familiar with quality controlling, coordinating and inspecting and also have worked in a chemical sector for quite some time as a machine operator. I am a selfstarter a team player and not afraid of any challenges im also target driven individual , quality orientated. customer satisfaction, good communication skills, always ask when i dont understand something, flexible, and im also competent in using systems like SAP and also computer literate
