Curriculum Vitae (CV)

What job i'm looking for? My positive points

I've been honing my Primary Healthcare skills for two years now and, first and foremost, I'm looking for a position where I can continue to exercise my nursing skills and cleaning skills.

A position where I can use my skills to make an impact that I can see with my own eyes. Of course, the position is only part of the equation. Being at a company where I can grow and work toward something I care about matters too.

I am a graduate health care worker and a First Aider with Diploma

I am hard worker, passionate, consistent and disciplined.
