Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for foreman job, as a foreman I'm doing the following :Setting out, reading structure and architecture drawings, working out levels and using dumpy levels instruments and theodolite, managing site logistics, planning, daily team toolbox, time sheets fixing and quality checking. I am the best in this job because I started as a general worker but through my performance I ended up as foreman at Grinaker Ita. I learned a lot that company in such a way that I joined another company called Mike Buyskes construction as last and I also meet their requirements as a foreman. I'm also willing to learn more in constconstrion industry.
