Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an entry level position as I don't have experience in any field. I would be ecstatic if I would be given the chance to prove myself, grow and utilize the potential that I know I have. My positive points are that I can work without supervision as I am a quick learner who is willing to explore new things and can easily adapt in any environment. I'm also a good communicator and a patient person. Always happy and lifting.
