What job i'm looking for? My positive points

I'm a Zimbabwean man age 33, looking for a job as a code 10 driver with a valid pdp. All the papers are in order which include work permit, valid passport. I have 5 years driving experience with traceable references. I'm a hard worker who is willing to work local or long hours. The company that I was employed retrenched us and close the branch in Port elizabeth, that's the reason why I'm looking for another job.
