Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for an Electrical or computer engineering related job.

I'm a newly graduated student of Central university of Technology in Free, I'm willing to develop and grow my knowledge that I'm currently having, gaining more experience, working with other people in the field as well as helping the company to grow.

I'm fast learner though I do not have experience in these jobs but I promise if the company can give me a chance they won't regret.
