

Masekela Magoro

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I qualified as a fitter in 1990 at Olifantsfontein after serving as an apprentice for four years.

I worked for various industries such as automotive, mining, water reticulation, hospitality and research and development.

I worked on various mechanical equipments like conveyor belts, belt presses, float cells, mills, screens, crushers, pst's, aerators, power packs, pneumatic flaps, battery operated locomotives, pneumatic loaders, scat machines, turb grinder and etc.

Other responsibilities includes arc, gas and pvc welding, brazing, soldering and copper to copper welding.

Machining, fabrication, pipe work , ducting and hvac system maintenance.

I am hard working, goal orientated person.

I enjoy working alone or in a group where I share my ideas and experience and also learn from my colleagues.

I am also passionate about mentoring trainees, apprentices, the semi -skilled and all who are interested in the trade.
