Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am looking for a job in an engineering department, I am a qualified boilermaker but I did study electrical at college and I am a hard worker with great work ethic, plus am willing to learn even if it new challenges am up for it recently I was holding on for receptionist in one of Illovo Sugar Mills following my retrenched as boilermaker artisan, I had that post for about 2 years, lastly I would like to thank you for taking your time and read my CV and I am available for for interview or starting work ASAP as am currently not working.
