What job i'm looking for? My positive points

I am starting my third year at SOL PLAATJE UNIVERSITY and am seeking part-time work for the coming year. I am particularly interested in working, prestigious store where I could make use of my experience in working with the public. I would be available for work at weekends and on weekdays afternoons during term-time. During vacations I would be able to work full-time if required and would also be available to work in the evening during the Christmas shopping period. If you do not have any current openings, I hope that you will be able to keep my application on file for future reference.

Thank you for taking the time to read this application and I look forward to hearing from you.

Yours sincerely
