What job i'm looking for? My positive points

I would like to submit my cv for the learnership scheme. I don't have any experience but i know that given a chance i will be able to master this industry .

I am very hard working, i enjoy learning new things and i view training and learning as a challenge and i am keen to do everything that i can to ensure that i work harder and i am a success to my employer and for my career.

I am a confident communicator, i am able to follow instructions and i can also work on my own initiative. I am self-motivated and enthusiastic. I enjoy working with others in a team and have had a lot of experience of team work through projects at school/college.
