Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am still a student but I'm very hard working and willing to do any job that is available. Getting a job will mean so much to me and I know that I'm capable of doing anything that is given to me. I know since I'm a student no one would want to hire me but I am willing to commit to the job and I won't mix my student life and my work life.
