What job i'm looking for? My positive points

Goodday

Myself, Registered nurse Shakeera Vencencie is seeking a permanent job employment vacancy preferably in location I reside in, which is in city of Port Elizabeth, Eastern Cape.

I graduated with my degree at NMMU University in the year of 2007, and immediately received a government post @ Livingstone Hospital, Port Elizabeth where I worked for 6 years in medical and surgical wards.

This is definitely a positive point as I have experience in government hospital background. Another strong positive point/s is that I can work under pressure, I am responsible, reliable, trustworthy and hard working.

If shortlisted or considered for a registered nurse post as advertised, I am able and willing to commence duty or shifts as soon as needed, will be no notice period or waiting period as I am currently only doing locum shift work for a Nursing recruitment agency.

Please feel free and don't hesitate to contact me if any other queries or documentation is outstanding or needed on 082 434 1221 or can email me back to my email address as listed in my CV.

Kind regards

Shakeera Vencencie
