

Anele Dudumayo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a HIGHLY motivated ,problem solver , team leader and a team player, self driven individual with good interpersonal and communication skills.

i have worked on big construction projects under the leadership of top people and influencers and artisans in the industry were i have been guided and learned the ins and outs of the construction industry, coupled with my willingness to listen and take instructions and execute them accordingly and in time, have been able to complete projects that have been given to me. i would love to join a company that would further strengthen my resolve to succeed in life. a dream of mine is to be a PRQS and contribute to the development of my community through skills transfer and education.

i would love to work in an office environment as a quantity surveyor as i find it exciting as well as a place were most projects start. i am available as soon as possible

kind regards
