What job i'm looking for? My positive points

I'm looking for a driving job .I've been doing this for the rest of my life, driving from province to another province around here in South africa.I worked in mortuary as a driver then to the Pf sourcing for more than 7 years, that it where I was traveling from province to another towing cars and trucks.I left the job there because of no increase in salary so now I'm selling some products from a certain company to keep my life going ...currently I'm not employed but I'm also busy with my code 14 license any driving job is a blessing in this trying time.
