What job i'm looking for? My positive points

Throughout my previous work experience, I've honed my skills in Monitoring and Measure Procedure and Project Management, building a firm foundation of industry knowledge. My communication skills have defused countless tense situations, and I work effectively in high-pressure situations.

I am self-motivated to complete tasks on time with minimal direction and have a strong aptitude in Environmental Assessment Report Writing. I'm an energetic and enthusiastic team-player who can also step in to take the wheel when team leadership is needed.
