Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am very interested in applying for any available or upcoming jobs you have available. I am willing to relocate at my own cost. My aim is to get work experience as almost all vacancies demand work experience. Any internship or entry-level job that is available, I am willing to join your team.

I have a Postgraduate Diploma in Supply Chain Management and Marketing. My undergraduate qualification is a Bachelor of Commerce in Supply Chain Management and Economics. Both my qualification are from the University of KwaZulu-Natal. I have a C1 driving license and PrDP.

I'm not really concerned much about the salary. All I want is a job that I would be able to sure case my expertise.

My most recent position(s) was at Clicks (Empangeni) as the Flexi Festive Shop Assistant Cashier for 2 months contract. Another one was from Shilo Supplies Pty Ltd as a Clerk.

I have attached my resume. Through it, I hope you will learn more about my background, education, achievements, and skill set.

If I can provide you with any further information, please let me know. I look forward to hearing from you.

Thank you for your consideration.
