What job i'm looking for? My positive points

I'm looking for any job cause I believe I'm capable of doing it. I'm a very fast learner plus a very hard-worker. I believe that you'll should hire me cause I'm a good team-worker plus I'm very great with people. I've got a very good heart and a caring one. I believe I'll be a great asset to your company. I would really appreciate it if your company gives me an opportunity to work for them because I'll be able to look after my family since we come from a very bad background.
