Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a cleaning job. What I like about myself even though the job I'm looking for is underestimated I take pride in it. I am a hard worker. Everything I do, I do it to the best of my ability. I have worked as a domestic worker for a number of years under one employer. In all those years i gave her no problem whatsoever. Whether I'm being ill treated or overly exploited as I have been before I still don't complain, because I believe in being professional all the time. If there is something done to me that I do not like I'll raise my concern in a respectable and professional way.
