Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a lady of 19years old. I am willing to become a miner one day. I want to raise my head and be a leader one day. For a woman being at the mining sector is very challenging and I am ready to face any challenge. My concern to mining industries to only focus on maths and science students only of which is wrong. I am ready to and willing to go and proof myself underground. I am ready to learn more
