Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am looking for a General Labourer job and I did Electrical Infrastructure Construction Level 2 but basically doing level level 3.

I'am extremely motivated and enthusiastic person and I know some basic of electronics because I did electrical practical for 3 years I also know how to erect scaffolding and ladders also to assist welders and Carpenters because am much familiar with those things and am able to work well in a team cause teamwork is important for maintaining safety standard and it helps to complete projects in time.

Am that that Transnet could allow me to work on my best capabilities so that I can expand my career path am so eager to learn and ready to participate in a continuous environment also to gain more knowledge and experience.

Looking forward to hear from you and have a wonderful day.

Kind regards
