Curriculum Vitae (CV)

What job i'm looking for? My positive points

I need to augment my income and therefore need an additional weekend or evening position.

Working from home in a clerical capacity would be ideal however I am not adverse to going out to an office or shop should something become available.

I have done sales, hospitality, banking and medical/dental - always front-line.

I am able to work well with public as well as colleagues.

I hope you will consider me for a potential part-time position.
