Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am applying for a job as as Engineering assistant or possibly a Apprenticeship.

Dedicated, motivated, energetic individual with experience as team leader in the mining industry.

Looking for an opportunity which will encourage and support a prosperous career. As a hardworking, creative problem solver, who sees challenges, instead of obstacles, I will certainly add proof to my statement above and commit myself to be a productive team member.

I want to further my studies and qualify myself as an artisan to ensure a prosperous career of which I can be proud. I am well adapted to physically demanding work and enjoy the challenge of learning new skills.
