What job i'm looking for? My positive points

Good day. I am Lee-Henshaun Warries. I am currently unemployed and a father to a one year old boy. My last job was working on a contract basis at Drakenstein Municipality. I matriculated in 2011 and also finished my tertiary education at Boland College. At Boland College I studied Management Assistant where I passed all my subjects and I have my certificates to prove it. I am also busy to obtain my Diploma in the aforementioned study course. I can work on a computer but I won't say that I am the best when it comes to computer programmes and such. I can work on MS-Word, MS-Excel, I know how to send e-mails. I love to drive and I am very responsible. I am a honest person and I am always willing to learn new things.
