

Raphael Mashala

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a semi skilled boilermaker with a certificate and more than seven years hands on working experience. I have gained sound and knowledgeable experience in varoius engineering departments. I know how to read engineering drawings and how to precisely measure and cut materials to ensure they meet the required standards. I believe i have the desire and determination to be one of the best in this profession and field . My technical abilities include but not limited to welding, development(plate, structural engineering,sheet metal works) and i have also gained experience working on machines, hand power tools and workshop machines(lathe, milling, bending and cutting torch)
