## What job i'm looking for? My positive points

Am currently looking for any general work because I don't have any work experience except for the learnership I did at love life NGO. I am a hard working and fast learning person, very honest used to be short tempered but I have learned to control it over the few years that passed hence I said am honest at the above sentence. I don't like to be belittled and lied to. Am good at team work and listening to other peoples opinion. I recently did my learners license and planning to do driver's license soon
